A Request for Proposals (RFP) will be drafted prior to the time services are needed allowing sufficient time for the preparation of the RFP, submission of applications by interested professional service providers, evaluation of the submitted applications, the award of the contract, and the notification and posting procedures mandated by Act 44. Each RFP will require interested professional service providers to submit an application containing the information required by the Township as indicated on the RFP. Applications will address the applicants’ qualifications, experience, expertise and compensation to be charged. An Act 44 – compliant Disclosure Form will be included in each RFP and must be completed and submitted by each applicant as part of the application. A copy of the Township’s Act 44 Disclosure Form is attached hereto as Appendix A.
