

## **LEAF COLLECTION**

(Note: Clip & save this notice as a reminder)

The Township provides leaf collection to residential properties each fall. Please rake leaves to the front of the curb or along the edge of the road. Leaves need to be within five feet of the curb or the edge of the road for our equipment and crews to efficiently collect them. **DO NOT** place a tarp with bricks over the leaves as this damages the leaf equipment. Our crews attempt to follow the schedule, but it may vary due to volume and/or weather conditions. During dry weather conditions dust is always an issue and we will do our best to keep it to a minimum. The dates listed are when we will start in your area and it may take us a full week to complete the route. We ask for your patience during this season as this can be a difficult task for our crews. We will continue our work until each route has been collected 4 times. Below is the schedule:

**Residents East of Prospect Road:** October 16<sup>th</sup>, October 30<sup>st</sup>, and November 13<sup>th</sup>. Final collection will start the week of November 27<sup>th</sup>.

**Residents West of Prospect Road:** October 23<sup>th</sup>, November 6<sup>th</sup>, and November 20<sup>st</sup>. Final collection will start the week of December 4<sup>th</sup>.
