It is my responsibility to insure that this inspection is scheduled and the certificate of occupancy obtained before the structure may be occupied. I acknowledge that if I occupy or permit the occupancy of this structure prior to the issuance of a certificate of occupancy under the Construction Code, I will have committed a violation of the Construction Code and will be subject to the penalties and remedies in the Construction Code Ordinance. I also acknowledge that, if the structure is occupied prior to the final inspection, work may have to be removed and reexecuted in order that it may be adequately inspected.
