

WEST HEMPFIELD PINK PATCH PROJECT

West Hempfield Township Police has again partnered with Police Departments in Lancaster County and throughout the nation to participate in the “Pink Patch Project” for 2022.

In cooperation with the Penn Medicine Lancaster General Health Suzanne H. Arnold Center for Breast Health, the project is aimed at bringing awareness and attention to the fight against Breast Cancer.

This is the third year now that our officers will be displaying the “Pink Patch” on their uniforms and selling our patches to the community.

This year we chose to go with a “Retro” style patch (an idea used last year by Lititz Borough PD), which is the original patch first worn by officers when our agency was first formed. Patches are available for a purchase price of \$10.00

In addition to the patch this year, we have added key chains using the same patch design!! These are available for \$5.00 each

(We do still have a supply of 2020 and 2021 patches available for \$5.00)

All proceeds will be donated to the Suzanne H. Arnold Center for Breast Health. More information about the project can be found at <https://pinkpatchproject.com/>

To purchase your patch, stop in at the police station, 3476 Marietta Ave, Lancaster Pa, between 8am-4pm; Monday-Friday.

Questions can be directed to Ofc. Bart Hollis – 717-285-5191 (Ext 514) or hollisb@whtpd.org

Stay tuned for information about apparel that will be available this year as well
