

COVID-19 UPDATE

At the time of this article, we are pleased to say we have not had any employees test positive for COVID due to workplace exposures. Our employees have done a great job following CDC and state guidelines as much as practical for their specific job tasks. We have had two employees test positive for COVID over the past year, both from non-work related exposures. Both cases were relatively minor and they fully recovered in a short period of time.

The Township remains fully open for business. We have not cancelled any public meetings due to COVID. We continue to provide a virtual option for those unable to attend our meetings in person.

At this time we are watching closely as the state moves closer to returning to pre-COVID "normal".

We are obviously not yet there! We will be assessing summer programs and activities along with our partner Hempfield RecCenter to determine when it is safe and legal to resume activities.

We continue to thank our residents and businesses for their vigilance and patience as we continue to work through the challenges that COVID has presented us. We also continue to offer our prayers and condolences for those in our community who have lost loved ones to COVID.

THE HIGH COST OF STORMWATER MANAGEMENT Stormwater Fees Are Coming

On July 1, 2021, West Hempfield Township Authority will join numerous other central Pennsylvania municipalities in implementing an annual stormwater fee to cover the high cost of complying with State and Federal stormwater regulations which are expected to increase as water quality and climate change narratives become a primary focus of the new Federal Administration. Here are some important stormwater terms to be familiar with:

- **ERU: Equivalent Residential Unit** – This is the average impervious area for a Single-Family Residential property in West Hempfield Township calculated as 2,350 square feet.
- **Impervious Surface** – Buildings, driveways/roadways, parking, patios, walkways, and any other hard surface preventing stormwater from soaking into the ground.
- **MS4: Municipal Separate Storm Sewer System** - Storm drains, inlets, pipes, swales, ditches, and basins that collect and convey stormwater runoff.

How is the Stormwater Fee Determined?

Stormwater fees are based on how much impervious surface exists on your property. The average impervious area for single-family properties is assessed as one (1) ERU or 2,350 square feet. The ERUs for all other properties are determined by dividing the total impervious area by 2,350 square feet as follows:

- A property with 20,000 square feet of impervious area has 8 ERUs (20,000 / 2,350 = 8.5)

The Authority has established the annual stormwater fee as \$72.00 per ERU.

All landowners will pay a stormwater fee, including schools, churches, and medical facilities. However, if you own a property with less than 500 square feet of impervious surface, you will be exempt from the stormwater fee.

Can I reduce my stormwater fee?

Landowners who manage stormwater runoff on their property may be eligible for stormwater credits up to 50% of their total fee. Credits will be available in 2022 and can be obtained by completing a Credit Application Form. The credits are available as follows:

CHECK OUR WEBSITE FOR IMPORTANT STORMWATER FEE INFO AND UPCOMING VIRTUAL INFORMATION SESSIONS.

New Employee Spotlight

Jaymi Stehman began employment with West Hempfield Township in February of 2021 as Administrative Assistant for Planning and Zoning. Jaymi was born and raised in Lancaster County and is a graduate of Penn Manor and YTI-Lancaster. Jaymi will be assisting our Planning and Zoning Office with the processing of all permit and plan submissions. Welcome Jaymi!

Rain Barrels for Sale Event

West Hempfield Township will be selling RAIN BARRELS! Rain Barrel distribution and education event will be held June 12th from 9:00 a.m. - 12:00 noon.

For more information and to order visit the Township's website or <https://www.rainwatersolutions.com/products/westhempfieldtownship>

Recreation Vehicles, Boats, and Trailers

Please be reminded that the West Hempfield Township Zoning Ordinance only permits Recreational Vehicles, Boats, and Trailers to be parked or stored outside if in the side or rear yard, behind the building line of the dwelling, and not within three feet of a property line. Exceptions apply for loading, unloading, and servicing, and for short-term occupancy by visitors.

Full details of our ordinance can be found at our website or by calling our Zoning Office.

ROAD PROJECTS FOR SUMMER 2021

Road projects for the 2021 Summer are:

- Ironville Pike from Prospect Road to the Columbia Borough Line will be getting a new asphalt overlay.
- Briarwood Blvd., Sandstone Drive, Penny Lane, Aspen Lane, Foxwood Drive will be getting a seal coat application.
- Chickies Hill Road and Airey View Drive will be getting a double application chip seal.

Seal coat is a layer of sprayed-on asphalt, followed by a thin layer of aggregate, particulate material that can be composed of sand, gravel, crushed stone, slag, recycled concrete or geosynthetic substances. The resulting surface is durable, flexible, and weather-resistant. A seal coat can extend the life of an existing pavement structure by sealing cracks and preventing moisture entering the underlying layers.

Although this is initially a rougher application, it will quickly improve thereafter. This is a PennDOT recommended and approved process. This process is less expensive which enables the Township to maintain more roads with the same amount of state funds. This will help our roads last longer before needing a costly replacement.

NEW BACKHOE

In February 2021 West Hempfield Township purchased a new John Deere 310 Backhoe. The new backhoe was purchased under the PA State purchasing contract. The Public Works Department is gearing up to replace several hundred feet of Storm Sewer Pipe over the next several years. With the help of a new backhoe, we should be able to be more efficient during the upcoming project. The 22-year-old backhoe was sold on an online auction to offset the cost.

DOGS IN PARKS

A reminder that dogs are permitted in all Township parks, EXCEPT Lake Grubb, which is a nature preserve owned by Mountville Borough and run jointly with the Township as a park. Please clean up after your dogs so that we can continue to allow them in our parks!

The High Cost of Stormwater Management

(continued from pg. 1)

- 25% credit for structural water quality BMPs which may include dry extended detention basins, bioretention basins, rain gardens, vegetated swales, and infiltration trenches.
- 25% credit for properties with NPDES Industrial Stormwater and MS4 Permits.

- 25% credit for installing a riparian forest buffer along an existing stream corridor.
- 50% credit for stream restoration projects.
- Agriculture credit: 25% for a written and implemented Conservation Plan
- Agriculture credit: Reduce total ERUs to one ERU for an implemented conservation Plan and approved NPDES Permit.

TRASH COLLECTION CONTRACT OUT TO BID IN 2021

The Township's current trash contract with Republic Services ends December 31, 2021. As such, the Township will be putting our next trash contract out to bid sometime this summer. In accordance with Pennsylvania law, we are required to award trash contracts to the lowest responsible bidder. This means our service might remain with Republic or might change to a new provider effective January 1, 2022.

The Township is currently consulting with our current provider as well as other potential providers to determine ways to increase services and either maintain or decrease our costs. One way to maintain costs is to make adjustments to our "opt-out" system. At present our ordinance allows our residents to opt-out of our municipal trash service within thirty days of moving into the Township. This opt-out creates uncertainty for our provider when they are determining their costs, as the number of customers determines the number of trucks and staff they need to devote to our Township. The cost to drive on every road in the Township is the same whether they collect trash from every customer or every other customer. Uncertainty results in higher costs to our residents. Most municipalities in central Pennsylvania which offer a municipal trash service do not permit any opt-outs, meaning all residents are required to participate. Our Board is currently considering a change which would allow a one-time opt-out prior to July 31, 2021, but none after that for the term of the contract. This will allow us to provide a definite number of customers in our bid documents so that bidders can provide better pricing with less uncertainty. This decision is expected to be voted on by our Board this spring.

The Township will post to our website updates in the progress of our trash contract and any changes to our ordinances. If the Board approves this opt-out change, information will be mailed to all residents, and posted to our website, in time to elect to opt-out prior to July 31.

RECYCLING DROP-OFF CENTER

West Hempfield Township residents can drop-off the following separated recyclable materials at the Recycling Drop-Off Center, 850 New Holland Pike, Lancaster, for free, Monday through Friday 8:00 a.m. - 5:00 p.m. and Saturday's 8:00 a.m. - 12:00 noon.

**Mixed Office Paper ■ Newspaper ■ Magazines ■ Soft & Hard Cover Books
Corrugated Cardboard ■ Chipboard ■ Shredded Paper ■ Glass Bottles & Jars
Plastic Bottles & Jugs With a Neck ■ Steel, Tin & Aluminum Cans**

New Facebook Page

We have a Facebook page! Search West Hempfield Township on Facebook.com or go to our website for the link. You will find up to date road closures, delays, and changes to trash schedules.

2021 Trash & Recycling Calendar

Holiday Trash Delays:

Collection will be delayed by one day for Memorial Day and Labor Day. Wednesday customers will be picked up on Thursday and Thursday customers on Friday. Thanksgiving, Wednesday customers will have regular pickup; Thursday customers will have one day delay to Friday. Any holidays not listed **DO NOT AFFECT TRASH SERVICE.**

Please place trash and recycle totes curbside the **NIGHT BEFORE.** Only one trash and recycle toter per household. All bags must fit in toter! All extra bags require a \$2.00 Yellow Tag attached. Large items require a \$5.00 Red Tag.

Large Appliance Pick-Up:

Large Appliance Pick-Up will be Saturday, April 17 and October 16, 2021. \$12 Blue Tag **MUST** be purchased ahead of time at the Township Office.

Yard Waste:

In 2021 all yard waste will be collected on the same day as your regular trash service. The first pickup in 2021 will be the second week in April and the last pickup will be mid-October 2021. Yard waste **MUST** be in your own brown Kraft bags with \$1.50 Green Tag. Bundles of sticks, no more than 4' in length and 30 lbs., also require a Green Tag.

Woody Waste:

Woody waste can be dropped off on Norwood Road from April through September each year. Signs identify the site which is open the 2nd and 4th Saturday of each month from 9:00 a.m. to Noon and the 2nd Wednesday of each month from 3:30 - 5:30 p.m.

Saturday

April 10 & 24; May 8 & 22; June 12 & 26; July 10 & 24; August 14 & 28; and September 11 & 25.

Wednesday

April 14, May 12, June 9, July 14, August 11, and September 8.

Susquehanna Valley EMS 2021-22 Subscription Drive

Susquehanna Valley EMS is excited to announce that our 2021-2022 Subscription Drive is underway! As a non-profit EMS organization, we do not receive any direct tax dollar support and rely heavily on our subscriptions to maintain our ability to serve your community! To fully equip and staff ONE ambulance to provide service 24/7 round the clock costs over \$500,000 a year!

No one likes to think about needing to call 911 for emergency medical services, but life is unpredictable and you never know when you may find yourself in need of our life-saving providers! Our crews consist of paramedics, AEMT's and EMT's that can deliver live-saving care to you or your loved ones while in route to the hospital. Our professionals will also communicate with the local hospital and its staff regarding your condition so they will be prepared for your arrival. The last thing you should have to worry about while you recover is the cost of the bill. Our subscription provides reduced-cost emergency services, including a 50% discount on any out-of-pocket expenses, even co-payments and deductibles! Keep in mind, that while every insurance carrier is different, not all of the care we provide is covered and sometimes, only a small portion is covered, leaving you to cover the balance.

In addition to responding to emergency calls, SVEMS also provides routine transportation services to members of the community. This service provides transportation to and from medical appointments, returning home from a hospital stay, and other trips as needed. The average cost for a typical ambulance transport can cost more than \$800! Just like with emergent care, most insurances (including Medicare) will not cover the full amount, leaving you to pay the balance. SVEMS subscribers receive generous discounts on non-emergent ambulance transports!

A Susquehanna Valley EMS subscription is an excellent way to give piece of mind knowing that you are protecting yourself and your loved ones from the unexpected costs of emergency ambulance transportation! Our memberships are extremely affordable at \$60/individual, \$85/couple and \$95/family! Visit www.SVEMS.org for more details or contact us by phone at 717-435-8101. You can also submit your donation to support our efforts via our website or by contacting our office.

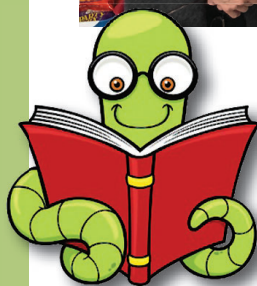

HILLCREST PHARMACY CERTIFICATES OF APPRECIATION

Over the years Pharmacist Melissa Koehler, who is a Township resident, has supported our Township staff and police in many ways, including administering flu shots to our employees. This year when we reached out to her, she was more than happy to help with COVID vaccines for our police officers. Our police cannot protect our community if they are ill or quarantined. Melissa and her team stepped up to the challenge and took care of all officers who were interested (which was most of them).

Hillcrest has also been helping our community with vaccines for health care workers, senior citizens, and those with eligible health risks.

Most important to note, as they just opened, they were not yet setup to bill insurance companies, so they had been providing vaccines without charge, although they were gratefully accepting donations for their services!

LANCASTER PUBLIC LIBRARY

While in-person events are on hold, Lancaster Public Library is offering virtual programming at the Lancaster City and Mountville Branches. To see the library's entire calendar of events and/or to learn more about the Summer Reading Program, which begins on Saturday, June 5, please visit LancasterPublicLibrary.org. Whether in a building or online, Lancaster Public Library continues to inspire, empower, and strengthen our community by connecting people with information, ideas, and enriching experiences.

Drug Drop Box

If you are planning on disposing of a large quantity of medicine at our drop box, please call our police department to set up a drop-off time with a Detective. Large quantity being a "full" grocery bag or bigger. REMINDER: Needles, liquids, or inhalers CANNOT be disposed of at this location.

2020 POLICE AWARDS & COMMENDATIONS

Presented by the West Hempfield Township Board of Supervisors
February 2, 2021

Each year the West Hempfield Township Board of Supervisors recognizes officers and citizens for actions during the previous year that are above and beyond expectations, and in some instances saved or prolonged the life of another.

For the year 2020, we wish to formally recognize the following officers and citizens for commendable acts that exceeded normal duties and responses.

OFFICER OF THE YEAR:

Officer James M. Gardill

For his service to Lancaster County as the DUI Coordinator for training for over ten years. The Center for Traffic Safety described Jim as “instrumental” in making numerous DUI and unsafe driving campaigns a success across the County. We cannot measure the number of lives that were likely saved by these efforts over the years.

In addition, Jim pioneered the implementation of the Second Chance Program for the Department. This program is an asset to the Dept and community as it provides an option other than arrest for non-violent offenses where a person is struggling with addiction.

Jim was also appointed OIC for his shift early in 2020, and was nominated by his Sergeant as not only an excellent OIC, but a true asset to all patrol efforts.

LIFE SAVING AWARD:

The Life Saving Award is awarded to individuals whose actions that, if not performed, would, beyond a reasonable doubt, have resulted in the death of a person or persons.

Officer Bart L. Hollis – Responded quickly during a snow storm for a man who was unresponsive and not breathing. He was on scene without assistance from other officers or EMS. He provided CPR, utilized an AED, and delivered Narcan to the individual. The patient began breathing and EMS personnel were able to take over when they arrived and transport the man to a hospital where he was expected to fully recover.

Officer Jim Gardill – Responded to a home in the Township for a patient in cardiac arrest. He provided immediate CPR, and then AED service that resuscitated the women. EMS also

recognized Officer Gardill for this life-saving treatment, as he was the only emergency responder on scene and provided the care that undoubtedly saved her life.

OUTSTANDING VOLUNTEER SERVICE:

Officer Richard C. Bowermaster Jr. – Organizing the Beards for Brothers Campaign, that raised over \$17,000 for Emergency Responders or their family members who are battling cancer.

Officer Bart L. Hollis – Organizing the Toys for Tots Program, Good to Give Initiative and National Night Out collaboration (2019), that collected toys and basic necessities for local families and served our community.

Officer Gabriel Rimolo - Organizing the Pink Patch Project Campaign that raised over \$11,000 for Lancaster General Hospital’s Cancer Center.

COMMENDATION AWARD – Excellence in Criminal Investigation:

Officer Karl J. Hartranft – For conducting excellent criminal investigations, one involving the kidnapping of a young girl from another state. The child was brought to safety and the suspect apprehended quickly and safely. And another investigation where a stolen vehicle was recovered and suspect also quickly apprehended due to Off. Hartranft’s tenacity and dedication.

PERFECT ATTENDANCE AWARD:

Officer John J. Schwab – For being a dependable Officer, here for every scheduled shift throughout the year.

CITIZEN COMMENDATION AWARD:

Awarded to a Township resident who provided assistance to our officers during a crisis situation involving one of his neighbors. This was a situation that involved firearms and could have easily become very harmful. All was resolved peacefully due to the citizens direct actions.

PHONE SCAMS

More than 2/3 of reported fraud attempts start with a phone call.

RECOGNIZE:

- An unsolicited call from a government agency or big company (Social Security Administration, PPL, UGI, etc.)
- Threats of harm if you don’t provide personal or financial info.
- Product or travel offers that sound too good to be true.
- Threats from Police, FBI, ATF, DTF, etc. Law Enforcement of any kind will not announce they are coming to arrest you.
- Payment in a form of gift card or visa check cards.

RESPOND:

- DON’T answer calls from unknown numbers.
- DON’T provide sensitive data to unknown callers.
- DON’T follow instructions like “Press 1 to get off call list”.

HEMPFIELD REC CALENDAR

FREE Outdoor Family Fun in West Hempfield Township Parks

Join family and friends at a West Hempfield Township Park for a nature-based program lead by Lancaster County Naturalist Lisa Sanchez. All ages. Dress for the weather and light walking. FREE! Registration requested. Call 717-898-3102.

- **April 2021** – Signs of Spring / Earth Day
- **May 2021** – Cavity-Nesting Animals
- **June 2021** – All About Fish
- **July 2021** – Fireflies

QUESTIONS? Call Cristine Maser, Hempfield recCenter Director of Programs 717-898-3102 ext 139. cmaser@hempfieldrec.com.

Silver Spring Park Kickball League - Ages 15+

Bring back the nostalgia of elementary school by playing this classic game with friends. Each team is allowed eight to 15 players. Games will take place on the baseball field at **Silver Spring Park** on Tuesday and/or Wednesday nights. Team captains are required to make a \$100 non-refundable deposit at the time of registration. Space is limited: first-come, first-serve. The balance of the registration fee is due before the first day of play. Register by April 23.

QUESTIONS? Call Cristine Maser, Hempfield recCenter Director of Programs 717-898-3102 ext 139. cmaser@hempfieldrec.com.

Fairview Park Outdoor Pickleball Games

Hempfield recCenter Members with a purchased pickleball card wishing to play at Fairview Park must reserve a time (four-hour slots) and pick up the equipment (FREE) at Hempfield recCenter. Nonmembers will incur a \$20.00 rental fee plus pay \$8.00 per person. Equipment must be returned to Hempfield recCenter within four hours.

Fairview Park, West Hempfield Township
M–F dawn to dusk

QUESTIONS? Call Cristine Maser, Hempfield recCenter Director of Programs 717-898-3102 ext 139. cmaser@hempfieldrec.com.

2020 WAS A STELLAR YEAR FOR GRANTS!

In 2020 the Township applied for numerous grants, mostly related to stormwater. As the projects involved are required to meet federal and/or state requirement, these grants would help offset costs which our taxpayers would otherwise have to pay.

Overall, we were extremely successful, with nearly \$1.9 million in grant requests being awarded! The following is a brief summary of the grants:

- National Fish and Wildlife (NFWF), \$200,000 for Streambank Restoration within the Chiques Creek.
- Lancaster County Watershed Implementation Plan (WIP), \$75,000 for Green Infrastructure Improvements at Murry Ridge Park.
- Pennsylvania Small Water & Sewer Grant, \$403,948 for Stormwater Infrastructure Replacement in the Farmdale/Ferndale neighborhood.
- H2O Pennsylvania Water Supply, Sanitary Sewer & Stormwater Grant, \$396,449 for Stormwater Infrastructure Replacement in the Farmdale/Ferndale neighborhood.
- Growing Greener Plus, \$250,000 for Streambank Stabilization and Stormwater Management BMP within the Chiques Creek.
- Growing Greener Plus, \$315,000 for Streambank Stabilization and Stormwater Management BMP within the West Branch of the Little Conestoga Creek.
- Pennsylvania Department of Environmental Protection 902 Grant, \$251,751 for a new Leaf Collection Truck and upgrades to our Woody Waste Facility.

EAGLE SCOUT PROJECT

Jakob Kreibick completed an Eagle Scout project at Murray Ridge park this fall. He planted about 200 trees (including 8 different types of native trees) along the path and in the field of the park. He worked with a blueprint provided by the township showing planting locations for specific types of trees. He overcame the struggles of trying to put this together during the COVID pandemic. Jakob and team managed to plant all of these trees in one day thanks to the help of a volunteer crew consisting of other scouts, family, and friends.

hemphfield recCenter Summer Playground Program

A supervised program hosted by Hemphfield recCenter at Silver Spring Park for eight weeks during summer break.

*Field trips and pool parties and the number of participants are contingent upon COVID/CDC guidelines.

For more information, contact Cristine Maser, Program Director cmaser@hemphfieldrec.com or 898-3102 ext. 139.

Registration opens on April 1st. Forms can be printed from hemphfieldrec.com but must be completed and mailed or dropped off.

No phone or online registrations.

June 14 – August 6
Monday through Friday
9:00 a.m. – 3:30 p.m.
Ages 6 – 13

Hemphfield recCenter has undertaken a new role with West Hemphfield Township. Our organization will maintain the township's nine parks, including the rental of park pavilions and athletic fields.

We're taking reservations for 2021! Visit hemphfieldrec.com to print the reservation form.

For additional information about park programs and rentals, contact Cristine Maser, Program Director 717-898-3102 ext. 139 cmaser@hemphfieldrec.com.

Disc Golf is Coming to Fairview Park!

In February, West Hemphfield Township and the Hemphfield RecCenter entered into a partnership agreement to develop an eighteen-hole disc golf course at West Hemphfield Township's Fairview Park. We will be working with the Lancaster County Disc Golf Club as well as other volunteer groups in the community to plan and build the course. The course will consist of tee pads and baskets throughout the north-west portion of the park, with several holes being within the wooded areas of the park. The final design for the course is currently being developed. We anticipate having an extremely competitive course which will bring disc golf enthusiasts from around the region as well as those wishing to pick up a new sport or hobby.

2021 CALENDAR OF EVENTS

ALL MEETINGS HELD AT THE TOWNSHIP BUILDING UNLESS OTHERWISE NOTED

APR	Fri.	2.....	Good Friday – OFFICES CLOSED <i>Trash service NOT affected</i>
	Sun.	4.....	Easter Sunday
	Tues.	6.....	Board of Supervisors Meeting – 7:30 p.m.
